

MBE 2010

16th International Conference on Molecular Beam Epitaxy

Berlin, Germany
August 22 – 27, 2010

"the international conference for all aspects of MBE growth as well as science, technology and application of epitaxial hetero- and nanostructures"

Organized by:

Prof. Dr. H. Riechert
(Paul-Drude-Institute, Berlin, Germany)

Prof. Dr. W. T. Masselink
(Humboldt-University Berlin, Germany)

Venue:

Humboldt-University, Audimax

bcc Berliner Congress Center
